

Promoting both the concept and the reality of Entrepreneurship among Northeast Ohio college students of all disciplines

2012 Friends of EEC Campaign

The purpose of the EEC is to provide practical "experiential" and theoretical education to students in Northeast Ohio to prepare them to become entrepreneurs or intrapreneurs; create new ventures and jobs and build wealth for the region. The EEC was founded to promote both the concept and the reality of Entrepreneurship among college students of all disciplines.

By becoming a Friend of EEC, you support the Consortium's work, demonstrating individual or corporate support of our unique activities.
